ZEN Large Thin Section Bearings in P5

We are pleased to announce that we are able to supply Large Thin Section Bearings in P5.

Excellence in precision: Designed to save space, lower the weight and reduce friction.

Open, sealed, shielded and cage types, available upon request.

Available up to an outer diameter of 500 mm:

61840 - 61880

61940 - 61972

Materials:

100Cr6 chrome steel with steel or brass cages.

Our Quality Control department is able to supply all the required drawings, material and product certifications you require.

IMPORTANT:

Please note that these bearings are produced to customer specifications and are not stock items.

For any information regarding the above, or any other ZEN products, please call us on [+44 \(0\)1227 793334](tel:+441227793334), email us on sales@ball-bearings.co.uk or visit www.zen.biz.
